Our Shared Values Trust

*honesty, integrity, freedom,
simplicity and fairness*

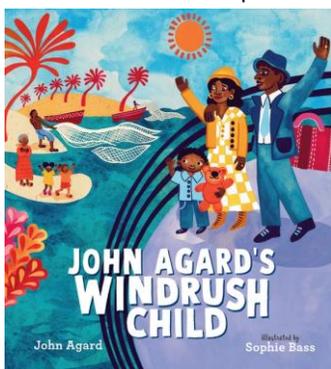

In assemblies this week, we reflected on the arrival of the Windrush (a big ship) that arrived from the Caribbean in the UK on 22 June 1948.

It carried hundreds of migrants from the Caribbean who came to work in Britain, to help the country recover after World War Two.

In the years between 1948 and 1971 hundreds of thousands of people came to Britain, as part of what is now called the Windrush generation - named after the boat.

Windrush Day is 22 June, a day to remember and celebrate the Windrush generation who came from the Caribbean to help rebuild Britain after the war.

Attendance and Punctuality: 13th-17th June 2022

Congratulations to our winners
Class 3 who achieved 98%.

We need at least 96%
attendance for every class to
go green.

Please make sure your child
arrives on time, everyday
unless they are unable to do so
for medical reasons.

School Dress Code

We would like to remind all children, parents and carers
that we expect all children to follow our dress code.

Please remind your children to remove any jewellery,
that they may have put on at the weekend, before they
come to school.

On PE or Sports club days, children are allowed to come
to school in their PE kit:

- a plain (no logos) white or green T-shirt.
- grey, black or white shorts/leggings or track suit trousers
- black or white plimsolls or trainers (sometimes children may do PE inside in bare feet)
- hijabs must be tight fitting to avoid injury

In September, to exemplify our shared value of
Excellence, we will expect all children to be wearing the
correct clothing including PE kits and black school
shoes.

Trainers and boots are not part of our dress code and
should not be worn to school.

Jewellery is not allowed (except for small stud earrings).
Head scarves and hair accessories should be kept to a
minimum and be green, black, grey or white.

Thank you for your support.

Be Safe, Be Kind, Be The Best That You Can Be Early Years and Primary Learning

In Nursery, we have been investigating mini beasts with magnifying glasses. We talked about how they use their antennae to feel things, then went out into the garden to have a mini beast hunt. We found lots!

Class One have been exploring and describing positions and turns in Maths. They have been practising turning themselves and objects using quarter, half, three quarter and full turns. They have also been learning which way is left and right. They enjoyed instructing friends to move a car around spaces on a map. In Geography, we are looking at Wonders of the World: the tallest mountain, Mount Everest, the largest desert, the Sahara Desert and the longest river, the River Nile.

Class 4 have created some amazing artwork inspired by the French artist Henri Matisse and his colourful abstract cut-out pictures. We based our images on the true story of Philippe Petit (a French street circus performer) who shocked the world by walking on a wire between the Twin Towers in New York.

Class 5 children conducted a plastic waste survey in the local area on Tuesday. The North End Road Market dates back to the late 1880s, with locals taking to the street to sell fresh produce.

This Week, Class 6 made vegetarian Mexican burritos! We chopped up some vegetables and cooked them in a pan using Mexican seasoning. We then layered up our tortillas with rice, vegetables, raw peppers, cheese, soured cream and guacamole before carefully rolling them up.

Summer 1 Diary Dates	Trust Be Safe, Be Kind, Be the Best You Can Be.
Mon 27 th June	Yr 1 & 2 PE Y3 & Y4 Multisports Y6 Cycle Training all week
Tue 28 th June	Y5 Urbanwise session Yr 5 & Y6 PE Y1 & Y2 Multisports
